- **Appendix 1.**
- Principles of Responsible Investment as per UN Principles for Responsible Investment (UNPRI) initiative.
- Principle 1: Incorporating ESG issues into investment analysis and decision-making processes.
- Principle 2: Participation by investors as active owners and incorporation of ESG issues into ownership policies and practices.
- Principle 3: Seeking appropriate disclosure on ESG issues by the entities in which the investors invest.
- Principle 4: Promotion of acceptance and implementation of the Principles within the investment industry by investors.
- Principle 5: Enhancing the effectiveness in implementing the Principles by working together.
- Principle 6: Reporting on investor activities and progress towards implementing the Principles.
